

Clinical Recommendation

For the clinician

Thank you for helping. The person named below is applying for a Monumental Recovery Foundation scholarship, which helps men with a substance use disorder attend high-quality extended care treatment they could not otherwise afford. Scholarships are paid directly to the treatment program.

This form is to be completed by a licensed professional (physician, psychiatrist, psychologist, LPC, LCSW, LAC, LMFT, or equivalent) who has evaluated the applicant. You may attach a letter or assessment instead of completing every field.

How to submit

1. Type into this form on a computer, or print it and fill it out by hand.
2. Upload it at monumentalrecovery.org/apply.html using the Submit Form button, or email it to give@monumentalrecovery.org with the applicant's name in the subject line.
3. Please send it directly to the Foundation rather than returning it to the applicant.

Everything you send is kept with the applicant's confidential file and reviewed only by the Foundation's board of directors.

Applicant

Applicant's full name

Applicant's date of birth

Clinician information

Clinician name and credentials

License number and state

Organization

Phone

Email

Clinical recommendation

Date of evaluation

How long have you known or treated the applicant?

Substance use disorder diagnosis (DSM-5) and severity

Co-occurring mental health or medical conditions relevant to placement

ASAM level of care recommended

Recommended length of stay

Is extended care clinically appropriate for this applicant?

☐ Yes ☐ No

Programs you recommend, if any

Clinical rationale

Briefly explain why this level of care is recommended and what risks the applicant faces without it.

Clinician attestation

I attest that I am licensed in good standing, that I evaluated this applicant, and that the information above is accurate to the best of my knowledge.
