

Monumental Recovery Foundation

Scholarship Application

Before you apply

The Monumental Recovery Foundation helps men with a substance use disorder attend high-quality extended care treatment they could not otherwise afford. Scholarships are paid directly to the treatment program, never to the applicant or his family.

Who can apply

- Men age 18 or older with a substance use disorder
- Who have been recommended for extended care by a licensed clinician
- Who cannot cover the full cost of treatment after insurance and family resources

How to apply

1. Complete Sections 1 through 6 and Section 8. You can type into this form on a computer, or print it and fill it out by hand.
2. Ask your clinician, therapist, physician, or interventionist to complete the separate Clinical Recommendation form at monumentalrecovery.org/apply.html. Your clinician submits it to us directly.
3. Gather the documents listed in Section 7.
4. Submit your completed application and documents at monumentalrecovery.org/apply.html using the Submit Form button, or email them to give@monumentalrecovery.org. A family member or referring professional may help you, but you must sign the application yourself.

What happens next

- Within 2 business days, you will receive an email confirming receipt, your application ID number, and anything that is missing.
- Once your application is complete, our board of directors reviews it at its next meeting.
- You will be notified of the decision in writing within 3 business days of the vote.

Your privacy

Your application is confidential. It is reviewed only by the Foundation's board of directors and is identified by an ID number, not your name. We do not share your information with anyone outside the Foundation except the treatment program, and only as you authorize in Section 8.

If you are in crisis or thinking about harming yourself, call or text 988 (Suicide & Crisis Lifeline) or call 911. Do not wait for a scholarship decision to get help.
